**KIEL IS CHOSEN AS
MAYOR OF ST. LOUIS**
ST. LOUIS, Apr. 3.—With four precincts missing, Henry W. Kiel, republican, is leading his nearest opponent, Dr. John H. Simon, democrat, in the mayoralty race by 1,930 votes. The board of election commissioners, composed mostly of democrats, conceded Kiel's election by a majority of 2000. Frank H. Gerhart, the progressive candidate, received but a small vote. With the possible exception of collector and register, the balance of the democratic ticket was chosen.

**NOTIFY FIRE HOUSE
OF BURNING RUBBISH**
Chief Sinclair of the fire department has made a suggestion and it is a good one that people starting fires in their back yards, should as far as possible, notify the fire house by telephone before firing up. The look-out at the fire house has had many anxious moments the past few days caused by the spring clean-up and burning rubbish.

(By Associated Press)
EL PASO, Apr. 3.—General E. E. Steever, commanding the second cavalry brigade, was retired today by order of the war department, after 41 years of active service. He will be succeeded at Fort Bliss, Texas, by Colonel H. L. Scott.

TAPS FOR ARKANSAS GUARD.
LITTLE ROCK, Ark., Apr. 3.—Because of the failure of the state to appropriate \$25,000 for its maintenance, the Arkansas National Guard disbanded yesterday. The state guard consisted of two regiments of infantry, composed of 1,700 officers and men. Its arms and equipment will be shipped to Washington at an expense of \$50,000 to the state. Arkansas is now the only state in the union without a military organization.

**"Rough hauling?"
"I don't mind. This is
a Studebaker Wagon"**

—that's why I bought it. I noticed that men were using the Studebaker wherever the work was hard—hauling steel girders in the city, logs in the woods, stone in the quarry.

"My work is hard and I know it. My wagon is on my payroll and must earn its salary. That's why I bought a Studebaker. I can't afford to buy a cheaper one."

"Get in touch with a Studebaker dealer, he's a good man to know."

CHAIN OF CANDY STORES.

Mrs. J. Borden Harriman whose civic activities have been manifold, is soon to launch a chain of candy stores throughout the country. They are intended to be for women what cigar stores are for men.

Mrs. Harriman said recently that she is intensely anxious to see the venture succeed, as she believes it will be of economic advantage to women wage workers. Sizzling soda and tempting confections are to be put at as moderate prices as possible.

The candy store chain is regarded by Mrs. Harriman in the light of an experiment related to the minimum living wage. If the candy store suc-

ceeds she believes establishments of other kinds may be launched to deal with necessities of life.
